Two Recent Staff Additions

NCA has two new staff members! We'd like to welcome Audrey Tessmer to the NCA family as our new Special Education Teacher. She comes to us from the Charlevoix ISD and has taught previously in Warren Michigan. She is excited to be here and recently moved to northern Michigan to be near her family. She has been married for four years, has a daughter and another baby due this April. If you see her, give her a big welcome!

NCA also welcomes Kyle Karczewski as Dean of Students. He will be building relationships with students, and helping to guide our older students in the right direction. He will also help with facilities and busing and is on board to provide support to whomever needs it! Kyle recently moved to Michigan from Florida and has a fiancé and one daughter. Give him a big welcome to Michigan and ask him how he is faring in the cooler weather!
