Position: K-12 Music Teacher

Reports to: Darci Long, Principal North Central Academy

Employed by: Mitten Educational Management at North Central Academy

Nature of the Position:

The position is to infuse creativity and fun into the music classes for K-12th grade learners. The candidate should be able to incorporate a variety of rhythmic, vocal, and theatrical activities that engage students in movements that integrate the State of Michigan Curriculum standards and K-12 Common Core Standards.

Responsibilities of the Position:

1. Subscribes to the motto: "Actions Over Words, Service Over Self".
2. Focus on students having fun with music rather than focusing on the technical side of music.
3. Incorporates movement into daily activities.
4. Collaborate with staff and administration to infuse music into extracurricular events and activities throughout the school year.
5. Direct musicals that involve students from all grade levels.
6. Full Creative control of the music department.

Requirements for the Position:

1. Applicants will hold a Bachelor's Degree and a valid K-12 Music Education teaching certificate in the State of Michigan.
2. Background check/fingerprints.
3. Confidence to bring innovative ideas into the school and follow-through to make the ideas transpire.
4. Ability and desire to teach the whole child.
5. Positive interaction with students, parents and staff on a regular basis.

Pay/Other Information:

Year-round salary. Benefits package includes the following: health insurance, 401K, short and long term disability coverage, dental and vision, life insurance coverage, yearly classroom stipend for supplies, a healthy living stipend to promote fitness, uniform allowance, and paid vacation days.
