PTO Santa Shop

The PTO will be playing Santa again this year. They will be sponsoring a gift shop from December 2-5 so students can shop for their loved ones. For more information, please contact Sara Crawford at crawfords@northcentralacademy.net or at 231-584-2080.

Winter Concert Date

The concert date is Wednesday, December 18th at 6:30pm. The concert will feature the K-6 students as well as the 7th, 8th and 9th grade choir. Please come out and support the choir!

Half Days

When half days are scheduled, it is very important to make every effort to get your student to school. Teachers do have important lessons to teach your students. The next half day will be Friday, December 13th.

Into the Woods

The NCA secondary production of *Into the Woods* will be performed on December 12th at 6:30pm and on December 14th at 2:00pm. We hope you can come to one of these fabulous performances since our students have been working very hard painting sets and learning lines. Admission is free of charge, but we recommend a $2 donation to help further support the theater program. Seats can be reserved for $5 each. Reservations and payment must be made by 3:00pm Thursday, December 12th. For further information, contact Freddie Swinson at swinsonf@northcentralacademy.net or 231-584-2080.

Sledding at Recess

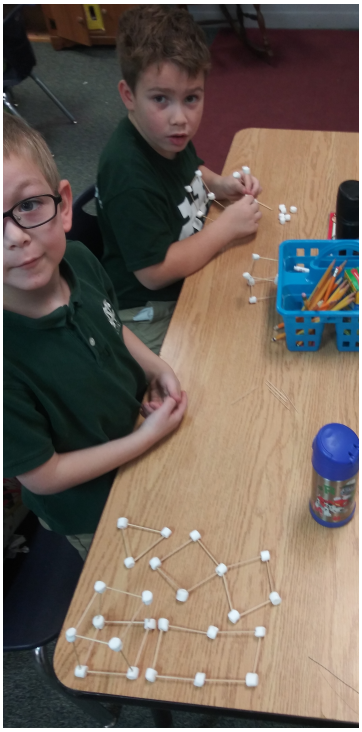
Students are more than welcome to bring a roll-up sled to school for recess and outdoor play times. We will put their name on the sled and it can stay here at school!

Thanksgiving Lunch

Students enjoyed the Thanksgiving lunch served by Mr. Chuck on November 26th. We enjoyed eating this traditional meal as an NCA family!

Uniforms

We have seen quite an uptick in instances of students having to borrow a uniform from the office. The office has a very limited amount to lend. Please take a look at your uniforms and ensure that you have enough. If you need to order more, see us in the office for an order form. Also please remember that logos can be added to approved polos and fleeces for $6.36. Sweatshirts and hoodies are not allowed in the classroom. Please contact Anne Wendling at wendlinga@northcentralacademy.net or 231-350-2983 for more information.



Ms. Johnstone's class recently got to build using marshmallows and toothpicks. Some really great structures came out of the imaginative activity!

Cooler Weather Here to Stay

Winter is here! Hats, mittens and warm jackets are great items to have on hand since many go out for recess each day. If your children have outgrown their winter gear and it is in good shape, please consider donating it to NCA. We are looking for gloves, mittens, hats, snowpants, and boots. For more information, please contact Jill Kettlewell at 231-495-1115.

Weather

Safety is always our number one priority at NCA. If there is a day that you feel that the weather conditions are too hazardous to travel, please call the office and your child will be excused. NCA does not follow the closing schedules of Alba, Gaylord, or Mancelona, so please listen carefully to news or radio reports. Facebook will also be updated in the case of any closing. For more information, contact Jill Kettlewell at 231-495-1115.
