## COVID-19 DASHBOARD North Central Academy

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services Reporting of Confirmed and Probable Cases of COVID-19 at Schools on September 7, 2021, North Central Academy will use this webpage to provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by the Health Department of Northwest Michigan, this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by the Health Department of Northwest Michigan.

### SCHOOL ASSOCIATED COVID-19 CASES

On January 12, 2022 the Health Department of Northwest Michigan made us aware of the following case counts of School Associated Cases of COVID-19 amongst the North Central Academy School Community. This data may include probable and confirmed cases as reported by the Health Department of Northwest Michigan among students, staff, administration, coaches, or visitors, if the person with COVID-19 was in the building or participating in a school-sponsored function during their infectious period.

New Positive Cases	Date Reported	Cumulative Cases
1	September 13, 2021	1
2	September 14, 2021	3
9	November 2, 2021	12
1	November 4, 2021	13
3	November 11, 2021	16
1	December 8, 2021	17
1	January 5, 2022	18
1	January 7, 2022	19
1	January 12, 2022	20
2	January 25, 2022	22

As a precaution, we will be disinfecting applicable areas of the school. This may include spraying classrooms, hallways, locker rooms, and common areas, as needed, with a sanitizer, along with other methods of disinfection.

**ACTIONS YOU CAN TAKE** We recommend taking action to help limit the spread of COVID-19, even if staff members or students are not experiencing symptoms:

- Wear a mask (covering mouth and nose) when around people with whom you do not live.
- Practice social distancing (maintaining a distance of 6 feet apart).
- Practice frequent handwashing (using soap for 20 seconds or hand sanitizer with at least 60% alcohol).
- Follow capacity restrictions of social gatherings.
- Cover coughs and sneezes with a tissue or with the inside of your elbow and immediately wash your hands.
- Stay home if you are sick; you can also get tested.
- Answer the phone if the health department contacts you, as a contact tracer may be trying to reach you with important information.

This information does not mean you should quarantine or isolate. Those members of the School Community who were or are suspected to have been in Close Contact with a School Associated Case will be notified by the Health Department of Northwest Michigan and/or North Central Academy. Thank you for understanding that, due to medical privacy laws, we are not able to release the names of the individuals with COVID-19. We will continue to communicate changes and updates with you. With your participation, we believe we can maintain a safe environment while also providing quality education.
